3. That I am herein stating the truth, the whole truth, and nothing but the truth, and that these truths stand as fact until another can provide the material, physical, and tangible evidence and substance to the contrary.
4. That I fully and completely comprehend that before any charges can be brought, it must be first proved, by presenting the material, physical, and tangible evidence and substance to support the facts, that the charges are valid and have substance that can be shown to have a foundation in fact.
5. That I have first-hand knowledge of the facts stated herein.
6. That all the facts stated herein are accurate, correct, honest, and true, and are admissible as material evidence, and that if I am called upon as a witness, that I will testify to their veracity.

Horizon system [§517]. He went on to say that the submissions provided by the Post Office paid ‘no attention to the actual evidence, and seem to have their origin in a parallel world’ [§138], that the Post Office ‘seemed to adopt an extraordinarily narrow approach to relevance, generally along the lines that any evidence that is unfavourable to the Post Office is not relevant’ [§34], feared ‘objective scrutiny of its behaviour’ [§28] and operated with a ‘culture of secrecy and confidentiality’ [§36]; We would refer you to the 1885 Weller versus Stone case which, drawing on the Statutes 13E of Usury and 27E of Fraud whereby all the Judges of England agreed “yet where there is usury, or fraud, or covin ; they may be averred so to be against any act whatsoever.” ; &, Acts contra 1677 Statute of Frauds Act, 1882 Bills of Exchange Act, 1989 Law of Property Act, 2006 Fraud Act—to cause us loss by concealment of data financial instruments recording our Tender and concealment of all our instruments including Contracts, consideration, Notes, Bills, Liens and Affidavits. &. It is a Maxim of the rule of law that he who makes a claim also carries the obligation by way of the fact that a claim has been made to present as material evidence, the material and factual substance of that claim. We would note that where there is no material evidence to support a claim then the claim would be fraudulent in nature which is recognized fraud by misrepresentation, a known criminal offence that is chargeable.

We would also draw to the attention of MR RONAN M M MCCANN in the position of DIRECTOR WITH SIGNIFICANT CONTROL for Horwich Farrelly Limited Corporation/State the Baron David Ward Affidavit, served upon every MP in the office of HM Parliament Corporation/State. This is a formal and legal process where, when left unrebutted on a point by point basis leads to a formal, legal

agreement in fact and law and we shall refer to it in detail from hereonin. The self intituled MPs who are employees of a private corporation, were served the Affidavit again—in October 2022—without rebuttal. The link to the public notices is given here: https://justpaste.it/MP_SECURITISED_LIENS And <https://tinyurl.com/BIT-LY-LINKS-LIENS-UptoDate>

We have also noted and it is fact, that a Chief Executive Officer is culpable and liable for the activities of the Officers—which includes Gary Cadwallader and Patrick McCarthy, where we have no examination of the data, instruments, power of attorney for trespasses against us And refusal to answer disclosure/discovery and interfere with justice—of the corporation(s) under his remit which is why we write to you PATRICK JAMES MCCARTHY.

There is established a clear and noted obligation of service for MR RONAN M M MCCANN in the position of DIRECTOR WITH SIGNIFICANT CONTROL for Horwich Farrelly Limited Corporation/State to provide the valid and presentable material evidence to support the claims being made.

1. We have noted a claim of authority under UK Public General Acts—for which the mandatory requirement for HM Government Corporation/State before any Acts and statutes can be legally acted upon—being the getting of the wet-ink consents of the 64.1 million 'governed' is required and that you had these consents, even if previously concealed, as presentable, material fact before you brought your charges or made your claims. MR RONAN M M MCCANN in the position of DIRECTOR WITH SIGNIFICANT CONTROL for Horwich Farrelly Limited Corporation/State has an obligation of service in the position of DIRECTOR WITH SIGNIFICANT CONTROL for Horwich Farrelly Limited Corporation/State to provide the valid, presentable material evidence to support this claim.

From Exhibit (B). —Case Authority WI-05257F David Ward V Warrington Borough Council, 30th Day of May 2013. Which is a case at court tribunal undertaken by recognised due process.

It is evident David Ward did not challenge the PCN or the traffic Management Act 2004 section 82 but the presumption of the consent of the governed.

What is a mandatory requirement before the Acts and statutes can be legally acted upon is for the consent of the governed to be valid and that it can be presented as material fact before any charges or claims can be brought.

It is clear from this case authority undertaken by due process that: -(1) It is illegal to act upon any of the Acts or statutes without the consent of the governed [where the governed have actually given their consent] and that consent is presentable as material physical evidence of the fact that the governed have given their consent. (2) Where the Acts and statutes are acted upon then this is illegal and a criminal action by the Corporation/State. (3) The criminal action is Malfeasance in a public office and fraud. (4) Where there is no consent of the governed on and for the public record then there is no governed and where there is no governed then there is no government. The one cannot exist without the other—they are mutually exclusive. (5) As this criminal activity is observed to be standard practice and has been for nearly 800 years, then this is clear observable evidence to the fact that LAW is a presumption and there is no such thing as LAW. See Exhibit (A) the twelve presumptions of law.

SOLICITOR with SIGNIFICANT CONTROL—HOHO872

Without this legal consent—the circa 64.1 million wet ink signed consents of the Governed—there is no legal authority under which there is a recognised officer of the Private Corporation/State that carries the necessary legal authority to create culpability, liability or agreement or otherwise enforce private corporate policy.

We refer you to the Baron David Ward unrebuted Affidavit Exhibit A—Formal challenge to the twelve presumptions of law. We have challenged all the Presumptions of Law. We have since obtained Securitized liens, lawful instruments, without most importantly any rebuttal and to this day not one piece of evidence of Corporate/State authority of Us has been presented.

We repeat, We formally challenge all presumptions of law and as we have formally challenged all the twelve presumptions of law then the presumption of law formally has no substance in material FACT.

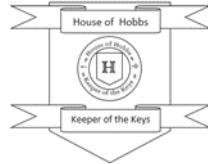

We will recognise the rule of law, when and only when there is the material evidence of that assumed rule of law has some material evidence of substance in presentable material fact.

We refer you to Exhibit C of the David Ward Affidavit where Chandran Kukathas PhD details over 7 pages that the State is a private corporation and specifically a legal embodiment by act of registration; And of no material substance. Fraud however has been defined as a criminal act with full knowledge and intent to engage in criminal behaviour to benefit one, at the expense of another. To bring about by an act of force, support of this fraud is also recognised as an act of terrorism.

From Exhibit (C)—The Material evidence of the FACTS.

In order to interfere with justice it is shown that, with knowledge, of the Fraud, trespass and acts of violence upon our property real and corporeal is accomplished with the aid of others who become as

culpable including thro the use of HM Courts and Tribunal Services as private prosecutors.

In full knowledge of the process of the court and a deliberate abuse of that process—to have HMCTS act as a personal private prosecution service, cheaper than the Royal Courts constitutes ABUSE of PROCESS for he has maliciously employed the process of the court. We,cite the 2014 Lord Sumption Crawford Adjusters v Sagicor General Insurance, 1838 GRAINGER v. HILL and here draw to the attention “but if the bailiff touch the person it is an arrest” akin to the POL cases , whereby 2019,2021 and since 1680s Post Office Limited, a corps, claims to have authority over people to investigate them, arrest them and prosecute them and then wrest from those said prosecuted as much and any property of their choosing POL wishes and 1861 GILDING v EYRE “has maliciously employed the process of the court”. This abuse applies to the 1677 Statutes of Frauds Act and the failure to disclose or by omission, the concealment in for unjust enrichment.

It has been confirmed by the Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA, on and for the record that:- (1) Whilst there is no material and physical evidence presented to the fact that the governed have given their consent then the office of the Judiciary has no greater authority than the manageress of McDonalds being as the office of the Judiciary is a sub office of a legal embodiment by an act of registration where this act of registration creates nothing of physical material substance and which is also fraud by default. Any objection to this observation of fact should be taken up with the Rt. Hon. Lord |Chief Justice Sir Jack Beatson FBA, whereupon the Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA would then have to present the material and physical evidence that the governed have given their consents.

As the office of the Judiciary is nothing more than a private commercial and fraudulent enterprise built upon fraud and criminal intent. This is by no stretch of the imagination a valid government by the people for the people as it is by default a private company providing a judicial service for profit and gain but where there is also and always a conflict of interests—where there is a conflict of interests between the needs of the people and the state (Corporate) Policy which has no obligation to the people or even the needs and wellbeing of corporation staff. This has been confirmed by Chandran Kukathas of the London School of Economics and state office titled the Department of Government.

Disagreements arising from ‘contracts’ are non-judicial and outside the scope of the private courts of the judiciary—these being the sub-offices of the private Corporation/State of HM Government plc as shown above. As has been confirmed by the esteemed Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA the office of the Judiciary (Court) is a sub office of a Private Limited corporation (HM Parliaments & Governments PLC) and that such an officer of a Private corporation court does not have the status to give or grant a Court Order outside of that Private corporation Office. The use of HMCTS as private prosecutors, shews those ‘acts’ fall in to the 2006 Fraud Act Part 35, section 3, as Mr Justice Fraser records within the Post Office judgment ‘that the submissions provided by the Post Office paid ‘no attention to the actual evidence, and seem to have their origin in a parallel world’ [§138], that the Post Office ‘seemed to adopt an extraordinarily narrow approach to relevance, generally along the lines that any evidence that is unfavourable to the Post Office is not relevant’ [§34],

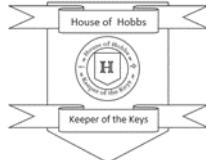

To bring about by an act of force, support of this fraud is also recognised as an act of terrorism Under the UK 2000 Terrorism Act, s.1,5—action taken for the benefit of a proscribed organisation It is evident from the omissions that there is no wet-ink signed contract between ‘the parties’ including between the Corporation/State of HM Government plc and Horwich Farrelly Limited Corporation/State or Us.

2. We have noted a claim of exemption from the 1689 Bill of Rights Act & ; &. And exemption from the Abuse of Court Process ; &. And exemption from the 1998 Public Interest Disclosure Act, for the acts of contempt perpetrated against us—including concealment, that refusal to complete disclosure/discovery—‘to interfere with justice’ and that you had these consents as presentable, material fact before you brought your charges or made your claims.. MR RONAN M M MCCANN in the position of DIRECTOR WITH SIGNIFICANT CONTROL for Horwich Farrelly Limited Corporation/State has an obligation of service in the position of DIRECTOR WITH SIGNIFICANT CONTROL for Horwich Farrelly Limited Corporation/State to provide the valid, presentable material evidence to support this claim.

And to further underline the malfeasance being demonstrated by the taking of our property—intangible and real to ensure subjugation and to extort us, we cite the 1677 Statutes of Fraud Act, Sir John Stuart and we cite Lord Denning 1956 Lazarus v. Beazley while again referring you to the Facts including the }UK 2006 Fraud Act, Part 35, section 2—F RAUD by ABUSE of POSITION (1)A person is in breach of this section if he—(a) occupies a position in which he is expected to safeguard, or not to act against, the financial interests of another person, (b) dishonestly abuses that position, and (c) intends, by means of the abuse of that position—(i) to make a gain for himself or another, or (ii) to cause loss to another or to expose another to a risk of loss. (2) A person may be regarded as having abused his position even though his conduct consisted of an omission rather than an act.

Fraud is a deliberate action to defraud where the victim of the crime is unaware having no knowledge of a situation or fact. This crime carries a penalty of incarceration for 7 to 10 years and the latter, where there is multiple instances of. 64.1 million people are subject to this crime everyday as it is now commonplace and is carried out by the largest and most ruthless criminal company in this

country. This same company is also a public office with the enforcement to execute this crime which is inclusive of but not limited to:- The office of the police, The office of the Judiciary, Local government and central government. Independent Bailiff Companies which are licensed by the same company.

3. We have noted a claim of exemption from the 1677 Statutes of Frauds Act with a grant of Power of Attorney or contract for the trespass not declared in signed writing—176 Anno vicefimo nono...or any uncertain Interest of, in, to, or out of any Messuages, Manors, Lands, Tenements or hereditaments made or created by Libery and Seisin onely, or by parole, and not put in Writing, and Signed by the parties to making or creating the same, or their Agents thereunto lawfully authorized by Writing, shall have the force and effect of Leases, or Estates at Will only, and shall not either in Law or Equity be deemed or taken to have any other or greater force or effect ; &. And of exemption—from the UK 1882 Bills of Exchange Act Section 23—Signature essential to liability ; MR RONAN M M MCCANN in the position of DIRECTOR WITH SIGNIFICANT CONTROL for Horwich Farrelly Limited Corporation/State has an obligation of service in the position of DIRECTOR WITH SIGNIFICANT CONTROL for Horwich Farrelly Limited Corporation/State to provide the valid, presentable material evidence to support this claim.

We now refer you to Exhibit (A) of the Affidavit which defines that profiteering contravenes the UK 2006 Fraud Act. We should also point out to you that it is a direct contravention of the UK 2000 Terrorism Act, s.15 Fund raising is an offence if a person invites another to provide money or other property and intends that it should be used for the purposes of terrorism. Insisting or demanding payment without a pre existing commercial arrangement which is based on presentable fact in the form of a commercial agreement is an act of deception. Payment is a commercial activity. We are not in the habit of knowingly conspiring to fraud or knowingly funding terrorism. This action would also create a liability against us.

MR RONAN M M MCCANN in the position of DIRECTOR WITH SIGNIFICANT CONTROL for Horwich Farrelly Limited Corporation/State has made claim/demand of indebtedness/for payment, but has not presented Us with a valid and legal Bill—predicated upon a pre existing commercial contract or collateral contract or any agreement—which is recognised under the Bills of exchange act of 1882. Because there is no commercial arrangement in place under which to raise a Bill for a bill to arise is also a direct violation of the 1882 Bills of Exchange Act. Additionally without the wet ink signed commercial arrangement and Bill presented, this Act would also be a contravention of the UK 2006 Fraud Act and to demand payment—under threats—contravenes the UK 2000 Terrorism Act. We are not in the habit of knowingly conspiring to fraud and/or terrorism. See Bills of exchange act of 1882. <http://www.legislation.gov.uk/ukpga/Vict/45-46/61>.

A claim of ‘contractual obligations being a non-judicial matter and UTTERING’ as act(s) contra the 1861 Forgery Act—Whosoever, without lawful authority or excuse (the proof whereof shall lie on the party accused), shall in the name of any other person acknowledge any recognizance or bail, or any cognovit, actionem, or judgment, or any deed or other instrument, before any court, judge, or other person lawfully authorized in that behalf, shall be guilty of felony.

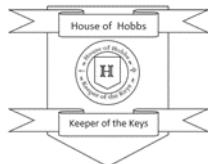

HOH—RONAN MATHEW MARTIN MCCANN HORWICH FARRELLY

4. We have noted a claim of exemption under 1989 UK Law of Property (Miscellaneous Provisions) Act c.34, s.2—Contracts for sale etc. of land to be made by signed writing . MR RONAN M M MCCANN in the position of DIRECTOR WITH SIGNIFICANT CONTROL for Horwich Farrelly Limited Corporation/State has an obligation of service in the position of DIRECTOR WITH SIGNIFICANT CONTROL for Horwich Farrelly Limited Corporation/State to provide the valid, presentable material evidence to support this claim.

From Exhibit (D) of the Affidavit and Statement of Fact for Case Authority WI-05257F. 30d of May 2013 it is evident there is due process for the execution of legal and commercial documents. Where these processes are not followed then the very presence of a document which does not comply with these processes, is itself is the physical and material evidence of Malfeasance in a public office and fraud. We would point your attention to the FACTs that a corporation must execute documents legally and failure to do so renders the documents non legal and void—(1) Under the law of England and Wales or Northern Ireland a document is executed by a company—(a) by the affixing of its common seal, or (b) by signature in accordance with the following provisions. (2) A document is validly executed by a company if it is signed on behalf of the company— (a) by two authorised signatories, or (b) by a director of the company in the presence of a witness who attests the signature. (4) A document signed in accordance with subsection (2) and expressed in whatever words, to be executed by the company, has the same effect as if executed under the common seal of the company. The legal effect of the statute is that documents and deeds must be signed on behalf of the company by a director in the presence of a witness, or by two authorised signatories. Without adherence to these provisions no contracts can be considered duly executed by a company and their terms are therefore legally unenforceable.

We would refer you to the 1885 Weller versus Stone case which, drawing on the Statutes 13E of Usury and 27E of Fraud whereby all the Judges of England agreed “yet where there is usury, or fraud, or covin ; they may be averred so to be against any act whatsoever.” We cite 2019 Bates and Others versus Post Office Limited and 2021 Josephine Hamilton and Others versus Post Office Limited whereby fraud by concealment of data was found ; We cite Lord Denning 1954, Lazarus v.

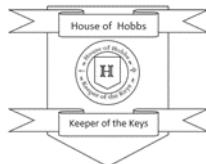

Beasley “Fraud unravels everything” ; And we cite Sir John Stuart ‘when tender has been made the mortgagee has not entitlement to proceed to sale ’ ; Continuing, in 1982 1 KB 245, 2 GIFF. 99 Where a mortgagee, after tender of his principal and interest... the Court set the sale aside against him and a person who had bought with knowledge of the tender, 2. A purchaser who buys with knowledge of circumstances sufficient against the mortgagee to invalidate the sale, becomes a party to the transaction and is not protected by the proviso that the purchaser need make no inquiry. 3. Where the costs are unascertained and the security ample, a mortgagee, after a tender of principal and interest, is not entitled to proceed with the sale; And the 1677 Statute of Frauds Act—176 Anno vicefimo nono ... or any uncertain Interest of, in, to, or out of any Messuages, Manors, Lands, Tenements or hereditaments made or created by Libery and Seisin onely, or by parole, and not put in Writing, and Signed by the parties to making or creating the same, or their Agents thereunto lawfully authorized by Writing, shall have the force and effect of Leases, or Estates at Will only, and shall not either in Law or Equity be deemed or taken to have any other or greater force or effect ; We draw to your attention to the detail of the 11 March 2019 thro 2 July 2019 case reference HQ16X01238, HQ17X02637 and HQ17X04248 in the high court before Mr Justice Fraser of ‘Bates and Others versus Post Office Limited’[POL]—a company wholly owned by HM Government—wherein despite the fraud and circumvention of POL to conceal discovery, Bates and Others won their case. Mr Stuart Wentworth QC in questioning Mr. Alan Bates cites an “information sheet”—which is not a contract of reciprocity—that ‘postmaster responsible for losses’. Questioning Mrs Pam Stubbs she is referred by Mr Wentworth to section 19 paragraph 4 of a POL contract. Further in the 23 April 2021 appeal in the high court of ‘Josephine Hamilton and Others’ Mr Justice said in quashing their convictions for the above ‘fraud and circumvention of POL to conceal discovery’ “there was no examination of the data, bugs, errors or defects...there was no proof of an actual loss as opposed to an Horizon generated shortage. Even more alarming POL’s own investigator has reported there was no evidence of a theft. We conclude Mrs Hamilton’s prosecution was unfair and an affront to justice.” ; & The judgment in Bates v Post Office Ltd (No.3: Common Issues) [2019] EWHC 606 (QB) delivered by Mr Justice Fraser was highly critical of the Post Office stating that it showed ‘oppressive behaviour’ in response to claimants who had been dismissed for accounting errors they blamed on the Horizon system [§517]. He went on to say that the submissions provided by the Post Office paid ‘no attention to the actual evidence, and seem to have their origin in a parallel world’ [§138], that the Post Office ‘seemed to adopt an extraordinarily narrow approach to relevance, generally along the lines that any evidence that is unfavourable to the Post Office is not relevant’ [§34], feared ‘objective scrutiny of its behaviour’ [§28] and operated with a ‘culture of secrecy and confidentiality’ [§36] ; Further after the above cases and long after the acts of POL against the sub post masters, it was brought to the attention of Lord James Arbuthnot and the POL Forensic accountant, that within an independent legal advice report commissioned by POL in the Summer of 2013—and concealed by POL—that POL were in full knowledge, and not only failed to disclose but continued their acts, along the lines of the unsafe convictions already given to sub post masters and to those currently being pursued by POL. We cite Lord Arbuthnot ‘POL lied to and were in contempt’. As stated above, it should also be kept to the forefront of mind that POL being owned by HM Government and the judiciary being one sub-office of HM Government that HM Government was fully cognizant with these matters throughout. Equally for those whose property including real property was wrested from them on the claims and non disclosures—that is the concealment—[for non disclosure seems anodyne] of POL, HM Land Registry is also owned by HM Government, and a party to the fraud. We, having previously cited cases where Charles A Nunn CEO of Lloyds bank, act contra, the 1677 Statutes of Frauds act including when in 1721 the Lord Chancellor dismissed the Bill, it appearing that as the Agreement was made in Writing, it was unequal and against Reason. And 1720 Lord Macclesfield ‘Court of Equity will not decree execution of articles where they appear to be unreasonable or are founded on a fraud—for that would be to decree Iniquity. Sir John Stuart and Lord Denning 1956 [Lazarus vs. Beasley] ”No court in this land will allow a person to keep an advantage which he has obtained by fraud. No judgment of a court, no Order of a Minister can be allowed to stand if it has been obtained by Fraud, fraud unravels everything...” And now we add the citation of Bates and Others vs. Post Office Limited to an already large body of court case material. The fraud of concealment is of no less significance than the fraud of presenting false instruments. That we have brought this to your attention, including the refusal of Charles Alan Nunn contra 2018 GDPR Act and the controllers law is, it seems a further reason to act against us contra the 2010 Equality act for, as in the cases of POL, Charles A Nunn CEO of Lloyds should they be able to substantiate their claims, would have no reason for concealment or for the preventing of their further acts of fraud should they reveal, by disclosure, an absence of any lawful right to act against us and our property—this includes the claims of Charles A Nunn CEO of Lloyds that they and their agents have a right to use force against our corporeal property and our real property. A Court of Equity considers iniquitous those contracts/agreements which appear to be unreasonable or are founded on a fraud—for that would be to decree Iniquity.

By failing to disclose all information including that which shews facts contra to your claims and by failing to supply information under Subject Access Requests, these acts, for omission is still an act, brings in to force the of refusal to complete disclosure/discovery—Acts with knowledge to interfere with justice contra, inc., the 1998 Public Interest Disclosure Act, section 43B (1), In this Part a “qualifying disclosure” means any disclosure of information which, in the reasonable belief of the worker making the disclosure, tends to show one or more of the following—(a)that a criminal offence has been committed, is being committed or is likely to be committed, (b)that a person has failed, is failing or is likely to fail to comply with any legal obligation to which he is subject, (c)that a miscarriage of justice has occurred, is occurring or is likely to occur ;

Sir Jack Beatson FBA, at that time the head of the judiciary, was false, in his address to Nottingham University, the private corporations/states of the Executive and legislature are superior to the judiciary by way of re-examination of the relationship. MR RONAN M M MCCANN in the position of DIRECTOR WITH SIGNIFICANT CONTROL for Horwich Farrelly Limited Corporation/State has an obligation of service in the position of DIRECTOR WITH SIGNIFICANT CONTROL for Horwich Farrelly Limited Corporation/State to provide the valid, presentable material evidence to support this claim.
10. We have noted a claim contra the statement made by Chandran Kukathas in possiting that HM Government plc is an entity, a Corporation/State. MR RONAN M M MCCANN in the position of DIRECTOR WITH SIGNIFICANT CONTROL for Horwich Farrelly Limited Corporation/State has an obligation of service in the position of DIRECTOR WITH SIGNIFICANT CONTROL for Horwich Farrelly Limited Corporation/State to provide the valid, presentable material evidence to support this claim.

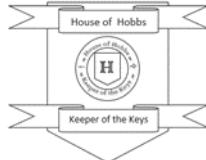

In order to interfere with justice it is shown that, with knowledge, of the Fraud, trespass and acts of violence upon our property real and corporeal is accomplished with the aid of others who become as culpable including thro the use of HM Courts and Tribunal Services as private prosecutors. In full knowledge of the process of the court and a deliberate abuse of that process—to have HMCTS act as a personal private prosecution service, cheaper than the Royal Courts constitutes ABUSE of PROCESS for he has maliciously employed the process of the court. We,cite the 2014 Lord Sumption Crawford Adjusters v Sagicor General Insurance, 1838 GRAINGER v. HILL and here draw to the attention “but if the bailiff touch the person it is an arrest” akin to the POL cases , whereby 2019,2021 and since 1680s Post Office Limited, a corps, claims to have authority over people to investigate them, arrest them and prosecute them and then wrest from those said prosecuted as much and any property of their choosing POL wishes and 1861 GILDING v EYRE “has maliciously employed the process of the court”.

We would draw attention to the Contempt of Court Reporting Restriction, "Civil contempt refers to conduct which is not in itself a crime, but which is punishable by the court in order to ensure that its orders are observed. Civil contempt is usually raised by one of the parties to the proceedings. Although the penalty for civil contempt contains a punitive element, its primary purpose is coercion of compliance. We would add that the use of force in a civil matter is a wilful and belligerent act of terrorism and the above Contempt of Court Reporting Restrictions further prevent a judge from holding us in contempt in a civil matter.

11. We have noted a claim of right to act in contempt of court—in concealment of valid, presentable material evidence—including that data requested through Subject Access Requests, wet ink signed contracts, presenting signed Bills, all accounting documents, ledgering AND HMCTS Case Management File—for the principal legal embodiment of us to peruse and rebut to the bias to the detriment of MRS YVONNE HOBBS. MR RONAN M M MCCANN in the position of DIRECTOR WITH SIGNIFICANT CONTROL for Horwich Farrelly Limited Corporation/State has an obligation of service in the position of DIRECTOR WITH SIGNIFICANT CONTROL for Horwich Farrelly Limited Corporation/State to provide the valid, presentable material evidence to support this claim.

Whilst we bring these your acts contra the Statutes of your corporation and the corporation/state of HM Government to your attention We would draw your attention to Exhibit (G) of the Affidavit of

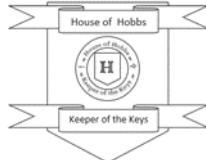

Truth and statement of Fact--A castle doctrine (also known as a castle law or a defence of habitation law) is a legal doctrine that designates a person's abode (or any legally-occupied place [e.g., a vehicle or workplace]) as a place in which that person has certain protections and immunities permitting him or her, in certain circumstances, to use force (up to and including deadly force) to defend themselves against an intruder, free from legal responsibility/prosecution for the consequences of the force used.[1] Typically deadly force is considered justified, and a defence of justifiable homicide applicable, in cases "when the actor reasonably fears imminent peril of death or serious bodily harm to him or herself or another".

Dear MR RONAN M M MCCANN,

We have noted as of this day the 7 March 2024 that there has been no legal response to our previous correspondence dated the 15 February 2024, 22 February 2024 and 29 February 2024 respectively. There is now a formal agreement due to the absence of any valid material legal evidence.

If there is a crime to be redressed then it is important to comprehend the full extent of the crime before a solution or a remedy can be executed. You MR RONAN M M MCCANN (CLAIMANT) DIRECTOR WITH SIGNIFICANT CONTROL have already been instrumental in this remedy as you have provided vital material evidence which is a part of the solution or remedy. For this material evidence, we thank you.

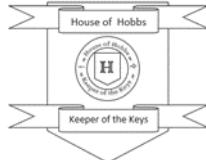

This may not be evident at first but the solution or remedy will benefit all including yourself. Complex matters have complex solutions, we can assure you that this solution is complex and these complexities may not be comprehended at first.

MR RONAN M M MCCANN (CLAIMANT) in the position of OFFICER for

In the interests of candour and clarity:
It is a maxim of the rule of law that whomsoever brings a claim has the obligation to provide the material substance of that claim, else the claim is fraudulent in nature which is fraud by Misrepresentation and Malfeasance in the office. In addition to this an act of force where there is no material evidence and substance to a valid claim is also an act **in terrorem**, a wilful and belligerent act of terrorism.

There is therefore a formal legal requirement for MR RONAN M M MCCANN in the position of DIRECTOR WITH SIGNIFICANT CONTROL for Horwich Farrelly Limited Corporation/State to present the valid material evidence to the following effect.

1. We have noted a claim of authority under UK Public General Acts—for which the mandatory requirement for HM Government Corporation/State before any Acts and statutes can be legally acted upon—being the getting of the wet-ink consents of the 64.1 million 'governed' is required and that you had these consents, even if previously concealed, as presentable, material fact before you brought your charges or made your claims. MR RONAN M M MCCANN in the position of DIRECTOR WITH SIGNIFICANT CONTROL for Horwich Farrelly Limited Corporation/State has an obligation of service in the position of DIRECTOR WITH SIGNIFICANT CONTROL for Horwich Farrelly Limited Corporation/State to provide the valid, presentable material evidence to support this

claim.

From Exhibit (B). —Case Authority WI-

05257F David Ward V Warrington Borough Council, 30th Day of May 2013. Which is a case at court tribunal undertaken by recognised due process.

It is evident David Ward did not challenge the PCN or the traffic Management Act 2004 section 82 but the presumption of the consent of the governed.

What is a mandatory requirement before the Acts and statutes can be legally acted upon is for the consent of the governed to be valid and that it can be presented as material fact before any charges or claims can be brought.

It is clear from this case authority undertaken by due process that: -(1) It is illegal to act upon any of the Acts or statutes without the consent of the governed [where the governed have actually given their consent] and that consent is presentable as material physical evidence of the fact that the governed have given their consent. (2) Where the Acts and statutes are acted upon then this is illegal and a criminal action by the Corporation/State. (3) The criminal action is Malfeasance in a public office and fraud. (4) Where there is no consent of the governed on and for the public record then there is no governed and where there is no governed then there is no government. The one cannot exist without the other-they are mutually exclusive. (5) As this criminal activity is observed to be standard practice and has been for nearly 800 years, then this is clear observable evidence to the fact that LAW is a presumption and there is no such thing as LAW. See Exhibit (A) the twelve presumptions of law.

Without this legal consent—the circa 64.1 million wet ink signed consents of the Governed—there is no legal authority under which there is a recognised officer of the Private Corporation/State that carries the necessary legal authority to create culpability, liability or agreement or otherwise enforce private corporate policy.

We refer you to the Baron David Ward unrebuted Affidavit Exhibit A—Formal challenge to the twelve presumptions of law. We have challenged all the Presumptions of Law. We have since obtained Securitized liens, lawful instruments, without most importantly any rebuttal and to this day not one piece of evidence of Corporate/State authority of Us has been presented.

We repeat, We formally challenge all presumptions of law and as we have formally challenged all the twelve presumptions of law then the presumption of law formally has no substance in material FACT.

We will recognise the rule of law, when and only when there is the material evidence of that assumed rule of law has some material evidence of substance in presentable material fact.

We refer you to Exhibit C of the David Ward Affidavit where Chandran Kukathas PhD details over 7 pages that the State is a private corporation and specifically a legal embodiment by act of registration; And of no material substance.

Fraud however has been defined as a criminal act with full knowledge and intent to engage in criminal behaviour to benefit one, at the expense of another. To bring about by an act of force, support of this fraud is also recognised as an act of terrorism.

From Exhibit (C)—The Material evidence of the FACTS.

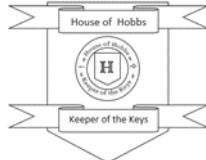

In order to interfere with justice it is shown that, with knowledge, of the Fraud, trespass and acts of violence upon our property real and corporeal is accomplished with the aid of others who become as culpable including thro the use of HM Courts and Tribunal Services as private prosecutors.

In full knowledge of the process of the court and a deliberate abuse of that process—to have HMCTS act as a personal private prosecution service, cheaper than the Royal Courts constitutes ABUSE of PROCESS for he has maliciously employed the process of the court. We,cite the 2014 Lord Sumption Crawford Adjusters v Sagicor General Insurance, 1838 GRAINGER v. HILL and here draw to the attention “but if the bailiff touch the person it is an arrest” akin to the POL cases , whereby 2019,2021 and since 1680s Post Office Limited, a corps, claims to have authority over people to investigate them, arrest them and prosecute them and then wrest from those said prosecuted as much and any property of their choosing POL wishes and 1861 GILDING v EYRE “has maliciously employed the process of the court”. This abuse applies to the 1677 Statutes of Frauds Act and the failure to disclose or by omission, the concealment in for unjust enrichment.

It has been confirmed by the Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA, on and for the record that:- (1) Whilst there is no material and physical evidence presented to the fact that the governed have given their consent then the office of the Judiciary has no greater authority than the manageress of McDonalds being as the office of the Judiciary is a sub office of a legal embodiment by an act of registration where this act of registration creates nothing of physical material substance and which is also fraud by default. Any objection to this observation of fact should be taken up with the Rt. Hon. Lord |Chief Justice Sir Jack Beatson FBA, whereupon the Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA would then have to present the material and physical evidence that the governed have given their consents.

As the office of the Judiciary is nothing more than a private commercial and fraudulent enterprise built upon fraud and criminal intent. This is by no stretch of the imagination a valid government by the people for the people as it is by default a private company providing a judicial service for profit and gain but

where there is also and always a conflict of interests—where there is a conflict of interests between the needs of the people and the state

(Corporate) Policy which has no obligation to the people or even the needs and wellbeing of corporation staff. This has been confirmed by Chandran Kukathas of the London School of Economics and state office titled the Department of Government.

Disagreements arising from ‘contracts’ are non-judicial and outside the scope of the private courts of the judiciary—these being the sub-offices of the private Corporation/State of HM Government plc as shown above. As has been confirmed by the esteemed Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA the office of the Judiciary (Court) is a sub office of a Private Limited corporation (HM Parliaments & Governments PLC) and that such an officer of a Private corporation court does not have the status to give or grant a Court Order outside of that Private corporation Office. The use of HMCTS as private prosecutors, shews those ‘acts’ fall in to the 2006 Fraud Act Part 35, section 3, as Mr Justice Fraser records within the Post Office judgment ‘that the submissions provided by the Post Office paid ‘no attention to the actual evidence, and seem to have their origin in a parallel world’ [§138], that the Post Office ‘seemed to adopt an extraordinarily narrow approach to relevance, generally along the lines that any evidence that is unfavourable to the Post Office is not relevant’ [§34],

To bring about by an act of force, support of this fraud is also recognised as an act of terrorism Under the UK 2000 Terrorism Act, s.1,5—action taken for the benefit of a proscribed organisation It is evident from the omissions that there is no wet-ink signed contract between ‘the parties’ including between the Corporation/State of HM Government plc and Horwich Farrelly Limited Corporation/State.

2. We have noted a claim of exemption from the 1689 Bill of Rights Act & ; &. And exemption from the Abuse of Court Process ; &. And exemption from the 1998 Public Interest Disclosure Act, for the acts of contempt perpetrated against us—including concealment, that refusal to complete disclosure/discovery—‘to interfere with justice’ and that you had these consents as presentable, material fact before you brought your charges or made your claims.. MR RONAN M M MCCANN in the position of DIRECTOR WITH SIGNIFICANT CONTROL for Horwich Farrelly Limited Corporation/State has an obligation of service in the position of DIRECTOR WITH SIGNIFICANT CONTROL for Horwich Farrelly Limited Corporation/State to provide the valid, presentable material evidence to support this claim.

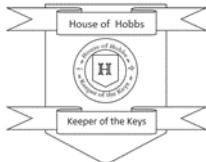

And to further underline the malfeasance being demonstrated by the taking of our property—intangible and real to ensure subjugation and to extort us, we cite the 1677 Statutes of Fraud Act, Sir John Stuart and we cite Lord Denning 1954 Lazarus v. Beazley and we refer you again to the Facts including the }UK 2006 Fraud Act, Part 35, section 2—F RAUD by ABUSE of POSITION (1)A person is in breach of this section if he—(a) occupies a position in which he is expected to safeguard, or not to act against, the financial interests of another person, (b) dishonestly abuses that position, and (c) intends, by means of the abuse of that position—(i) to make a gain for himself or another, or (ii) to cause loss to another or to expose another to a risk of loss. (2) A person may be regarded as having abused his position even though his conduct consisted of an omission rather than an act.

Fraud is a deliberate action to defraud where the victim of the crime is unaware having no knowledge of a situation or fact. This crime carries a penalty of incarceration for 7 to 10 years and the latter, where there is multiple instances of. 64.1 million people are subject to this crime everyday as it is now commonplace and is carried out by the largest and most ruthless criminal company in this country. This same company is also a public office with the enforcement to execute this crime which is inclusive of but not limited to:- The office of the police, The office of the Judiciary, Local government and central government. Independent Bailiff Companies which are licensed by the same company.

3. We have noted a claim of exemption from the 1677 Statutes of Frauds Act with a grant of Power of Attorney or contract for the trespass not declared in signed writing—176 Anno vicefimo nono...or any uncertain Interest of, in, to, or out of any Mes-suages, Manors, Lands, Tenements or hereditaments made or created by Libery and Seisin onely, or by parole, and not put in Writing, and Signed by the parties to making or creating the same, or their Agents thereunto lawfully authorized by Writing, shall have the force and effect of Leases, or Estates at Will only, and shall not either in Law or Equity be deemed or taken to have any other or greater force or effect ; &. And of exemption—from the UK 1882 Bills of Exchange Act Section 23—Signature essential to liability ; MR RONAN M M MCCANN in the position of DIRECTOR WITH SIGNIFICANT CONTROL for Horwich Farrelly Limited Corporation/State has an obligation of service in the position of DIRECTOR WITH SIGNIFICANT CONTROL for Horwich Farrelly Limited Corporation/State to provide the valid, presentable material evidence to support this claim.

We now refer you to Exhibit (A) of the Affidavit which defines that profiteering contravenes the UK 2006 Fraud Act. We should also point out to you that it is a direct contravention of the UK 2000 Terrorism Act, s.15 Fund raising is an offence if a person invites another to provide money or other property and intends that it should be used for the purposes of terrorism. Insisting or demanding payment without a pre existing commercial arrangement which is based on presentable fact in the form of a commercial agreement is an act of deception. Payment is a commercial activity. We are not in the habit of knowingly conspiring to fraud or knowingly funding terrorism. This action would also create a liability against us.

4. We have noted a claim of exemption under 1989 UK Law of Property (Miscellaneous Provisions) Act c.34, s.2—Contracts for sale etc. of land to be made by signed writing . MR RONAN M M MCCANN in the position of DIRECTOR WITH SIGNIFICANT CONTROL for Horwich Farrelly Limited Corporation/State has an obligation of service in the position of DIRECTOR WITH SIGNIFICANT CONTROL for Horwich Farrelly Limited Corporation/State to provide the valid, presentable material evidence to support this claim.

From Exhibit (D) of the Affidavit and Statement of Fact for Case Authority WI-05257F. 30d of May 2013 it is evident there is due process for the execution of legal and commercial documents. Where these processes are not followed then the very presence of a document which does not comply with these processes, is itself is the physical and material evidence of Malfeasance in a public office and fraud. We would point your attention to the FACTs that a corporation must execute documents legally and failure to do so renders the documents non legal and void—(1) Under the law of England and Wales or Northern Ireland a document is executed by a company—(a) by the affixing of its common seal, or (b) by signature in accordance with the following provisions. (2) A document is validly executed by a company if it is signed on behalf of the company — (a) by two authorised signatories, or (b) by a director of the company in the presence of a witness who attests the signature. (4) A document signed in accordance with subsection (2) and expressed in whatever words, to be executed by the company, has the same effect as if executed under the common seal of the company. The legal effect of the statute is that documents and deeds must be signed on behalf of the company by a director in the presence of a witness, or by two authorised signatories. Without adherence to these provisions no contracts can be considered duly executed by a company and their terms are therefore legally unenforceable.

We would refer you to the 1885 Weller versus Stone case which, drawing on the Statutes 13E of Usury and 27E of Fraud whereby all the Judges of England agreed "yet where there is usury, or fraud, or covin ; they may be averred so to be against any act whatsoever." We cite 2019 Bates and Others versus Post Office Limited and 2021 Josephine Hamilton and Others versus Post Office Limited whereby fraud by concealment of data was found ; We cite Lord Denning 1954, Lazarus v. Beasley "Fraud unravels everything" ; And we cite Sir John Stuart 'when tender has been made the mortgagee has not entitlement to proceed to sale ' ; Continuing, in 1982 1 KB 245, 2 GIFF. 99 Where a mortgagee, after tender of his principal and interest... the Court set the sale aside against him and a person who had bought with knowledge of the tender, 2. A purchaser who buys with knowledge of circumstances sufficient against the mortgagee to invalidate the sale, becomes a party to the transaction and is not protected by the proviso that the purchaser need make no inquiry. 3. Where the costs are unascertained and the security ample, a mortgagee, after a tender of principal and interest, is not entitled to proceed with the sale; And the 1677 Statute of Frauds Act—176 Anno vicefimo nono ... or any uncertain Interest of, in, to, or out of any Messuages, Manors, Lands, Tenements or hereditaments made or created by Libery and Seisin only, or by parole, and not put in Writing, and Signed by the parties to making or creating the same, or their Agents thereunto lawfully authorized by Writing, shall have the force and effect of Leases, or Estates at Will only, and shall not either in Law or Equity be deemed or taken to have any other or greater force or effect ; We draw to your attention to the detail of the 11 March 2019 thro 2 July 2019 case reference HQ16X01238, HQ17X02637 and HQ17X04248 in the high court before Mr Justice Fraser of 'Bates and Others versus Post Office Limited'[POL]—a company wholly owned by HM Government—wherein despite the fraud and circumvention of POL to conceal discovery, Bates and Others won their case. Mr Stuart Wentworth QC in questioning Mr. Alan Bates cites an "information sheet"—which is not a contract of reciprocity—that 'postmaster responsible for losses'. Questioning Mrs Pam Stubbs she is referred by Mr Wentworth to section 19 paragraph 4 of a POL contract. Further in the 23 April 2021 appeal in the high court of 'Josephine Hamilton and Others' Mr Justice said in quashing their convictions for the above 'fraud and circumvention of POL to conceal discovery' "there was no examination of the data, bugs, errors or defects...there was no proof of an actual loss as opposed to an Horizon generated shortage. Even more alarming POL's own investigator has reported there was no evidence of a theft. We conclude Mrs Hamilton's prosecution was unfair and an affront to justice." ; & The judgment in Bates v Post Office Ltd (No.3: Common Issues) [2019] EWHC 606 (QB) delivered by Mr Justice Fraser was highly critical of the Post Office stating that it showed 'oppressive behaviour' in response to claimants who had been dismissed for accounting errors they blamed on the Horizon system [§517]. He went on to say that the submissions provided by the Post Office paid 'no attention to the actual evidence, and seem to have their origin in a parallel world' [§138], that the Post Office 'seemed to adopt an extraordinarily nar-

row approach to relevance, generally along the lines that any evidence that is unfavourable to the Post Office is not relevant' [§34], feared

'objective scrutiny of its behaviour' [§28] and operated with a 'culture of secrecy and confidentiality' [§36]; Further after the above cases and long after the acts of POL against the sub post masters, it was brought to the attention of Lord James Arbuthnot and the POL Forensic accountant, that within an independent legal advice report commissioned by POL in the Summer of 2013—and concealed by POL—that POL were in full knowledge, and not only failed to disclose but continued their acts, along the lines of the unsafe convictions already given to sub post masters and to those currently being pursued by POL. We cite Lord Arbuthnot 'POL lied to and were in contempt'. As stated above, it should also be kept to the forefront of mind that POL being owned by HM Government and the judiciary being one sub-office of HM Government that HM Government was fully cognizant with these matters throughout. Equally for those whose property including real property was wrested from them on the claims and non disclosures—that is the concealment—[for non disclosure seems anodyne] of POL, HM Land Registry is also owned by HM Government, and a party to the fraud. We, having previously cited cases where Charles A Nunn CEO of Lloyds bank, act contra, the 1677 Statutes of Frauds act including when in 1721 the Lord Chancellor dismissed the Bill, it appearing that as the Agreement was made in Writing, it was unequal and against Reason. And 1720 Lord Macclesfield 'Court of Equity will not decree execution of articles where they appear to be unreasonable or are founded on a fraud—for that would be to decree Iniquity. Sir John Stuart and Lord Denning 1956 [Lazarus vs. Beasley] "No court in this land will allow a person to keep an advantage which he has obtained by fraud. No judgment of a court, no Order of a Minister can be allowed to stand if it has been obtained by Fraud, fraud unravels everything..." And now we add the citation of Bates and Others vs. Post Office Limited to an already large body of court case material. The fraud of concealment is of no less significance than the fraud of presenting false instruments. That we have brought this to your attention, including the refusal of Charles Alan Nunn contra 2018 GDPR Act and the controllers law is, it seems a further reason to act against us contra the 2010 Equality act for, as in the cases of POL, Charles A Nunn CEO of Lloyds should they be able to substantiate their claims, would have no reason for concealment or for the preventing of their further acts of fraud should they reveal, by disclosure, an absence of any lawful right to act against us and our property—this includes the claims of Charles A Nunn CEO of Lloyds that they and their agents have a right to use force against our corporeal property and our real property. A Court of Equity considers iniquitous those contracts/agreements which appear to be unreasonable or are founded on a fraud—for that would be to decree Iniquity.

Referencing the UK 2006 Fraud Act, Part 35, section 2--FALSE REPRESENTATION A representation is false if—(a) it is untrue or misleading, and (b)the person making it knows that it is, or might be, untrue or misleading. (3)"Representation" means any representation as to fact or law, including a representation as to the state of mind of—(a)the person making the representation, or (b)any other person.

We refer you to Exhibit C of the David Ward Affidavit where under the—including the taking of Our property of data and using it as your own without Our knowledge or consent, the threats against Our property and the further claims to benefit a private Corporation/State and extorting money with neither signature nor contract is an act of force **in terrorem**.

By failing to disclose all information including that which shews facts contra to your claims and by failing to supply information under Subject Access Requests, these acts, for omission is still an act, brings in to force the of refusal to complete disclosure/discovery—Acts with knowledge to interfere with justice contra, inc., the 1998 Public Interest Disclosure Act, section 43B (1), In this Part a "qualifying disclosure" means any disclosure of information which, in the reasonable belief of the worker making the disclosure, tends to show one or more of the following—(a)that a criminal offence has been committed, is being committed or is likely to be committed, (b)that a person has failed, is failing or is likely to fail to comply with any legal obligation to which he is subject, (c)that a miscarriage of justice has occurred, is occurring or is likely to occur ;

9. We have noted a claim That the HM Courts & Tribunal Services Corporation/State is not inferior to or one sub-office of HM Government plc ; And that the statement by the Hon. Sir Jack Beatson FBA, at that time the head of the judiciary, was false, in his address to Nottingham University, the private corporations/states of the Executive and legislature are superior to the judiciary by way of re-examination of the relationship. MR RONAN M M MCCANN in the position of DIRECTOR WITH SIGNIFICANT CONTROL for Horwich Farrelly Limited Corporation/State has an obligation of service in the position of DIRECTOR WITH SIGNIFICANT CONTROL for Horwich Farrelly Limited Corporation/State to provide the valid, presentable material evidence to support this claim.

In order to interfere with justice it is shown that, with knowledge, of the Fraud, trespass and acts of violence upon our property real and corporeal is accomplished with the aid of others who become as culpable

including thro the use of HM Courts and Tribunal Services as private prosecutors. In full knowledge of the process of the court and a deliberate abuse of that process—to have HMCTS act as a personal private prosecution service, cheaper than the Royal Courts constitutes ABUSE of PROCESS for he has maliciously employed the process of the court. We,cite the 2014 Lord Sumption Crawford Adjusters v Sagicor General Insurance, 1838 GRAINGER v. HILL and here draw to the attention “but if the bailiff touch the person it is an arrest” akin to the POL cases , whereby 2019,2021 and since 1680s Post Office Limited, a corps, claims to have authority over people to investigate them, arrest them and prosecute them and then wrest from those said prosecuted as much and any property of their choosing POL wishes and 1861 GILDING v EYRE “has maliciously employed the process of the court”.

We would draw attention to the Contempt of Court Reporting Restriction, "Civil contempt refers to conduct which is not in itself a crime, but which is punishable by the court in order to ensure that its orders are observed. Civil contempt is usually raised by one of the parties to the proceedings. Although the penalty for civil contempt contains a punitive element, its primary purpose is coercion of compliance. We would add that the use of force in a civil matter is a wilful and belligerent act of terrorism and the above Contempt of Court Reporting Restrictions further prevent a judge from holding us in contempt in a civil matter.

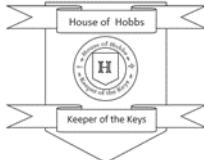

11. We have noted a claim of right to act in contempt of court—in concealment of valid, presentable material evidence—including that data requested through Subject Access Requests, wet ink signed contracts, presenting signed Bills, all accounting documents, ledging AND HMCTS Case Management File—for the principal legal embodiment of us to peruse and rebut to the bias to the detriment of MRS YVONNE HOBBS. Whilst we bring these your acts contra the Statutes of your corporation and the corporation/state of HM Government to your attention We would draw your attention to Exhibit (G) of the Affidavit of Truth and statement of Fact--A castle doctrine (also known as a castle law or a defence of habitation law) is a legal doctrine that designates a person's abode (or any legally-occupied place [e.g., a vehicle or workplace]) as a place in which that person has certain protections and immunities permitting him or her, in certain circumstances, to use force (up to and including deadly force) to defend themselves against an intruder, free from legal responsibility/prosecution for the consequences of the force used.[1] Typically deadly force is considered justified, and a defence of justifiable homicide applicable, in cases "when the actor reasonably fears imminent peril of death or serious bodily harm to him or herself or another".

So is this an excessive action where there is no monetary value. <http://bit.ly/1WV48P> No injury loss or harm can be caused by the action. This is just numbers of no commercial significance as there cannot be commerce without money and there is no such thing as money so there is no such thing as economics.

It could be said that to take this action is to destabilization of the economy was done generations ago Practice—by that we mean Federal Reserve Bank-easing.

ise the economy. WHAT economy? The destabilization when the government licensed fraudulent Banking practices, fractional lending and quantitative easing.

We did ask ourselves “Are we committing Fraud” Our response to this was. “Is there full disclosure?” YES. “Is there an agreement between the parties as a result of that disclosure?” YES. “Is there any injury loss or harm?” NO. Then there is no fraud.

Are we destabilising Government? See above. Without the consent of the governed on and for the record then there is no governed and no government by default. What Government? See Exhibit under the affidavit Exhibit (H). Without a valid and accountable government then there is no such thing as the public or the public purse.

MR RONAN M M MCCANN (CLAIMANT) we have expressed the criminal offences and there is an obligation to resolve.
